### Black Powder Coat Protects Blade

The all-black Ontario Gen II SP40 incorporates a 3.75-inch, full-tang, texture-powder-coated 5160 blade, an oval Kraton® handle and black nylon sheath.

For more information contact Ontario Knife Co., attn: D. Stanbro, Dept. BKG, 26 Empire St., Franklinville, NY 14737 800-222-5233 [diane@ontarioknife.com](mailto:diane@ontarioknife.com), [www.ontarioknife.com](http://www.ontarioknife.com).

### SureFire Folder Handle Seconds As A Wrench

SureFire's "Edge" flipper folder sports a 3.88-inch 154CM blade in a modified-spear-point configuration, a hard-anodized 7075 aluminum handle, and hexagonal holes in the blade and grip that reduce the overall weight of the knife and provide a wrench for 7/16-, 3/8-, 5/16- and 1/2-inch nuts.

For more information contact SureFire, attn: R. Canfield, Dept. BKG, 18300 Mt. Baldy Cir., Fountain Valley, CA 92708 800-828-8809 [helpyou@surefire.com](mailto:helpyou@surefire.com), [www.surefire.com](http://www.surefire.com).

### "Tactical Gray" Is TOPS Finish Of Choice

New to the TOPS line is the "Wind Runner," featuring a 3-inch, cryogenically treated, tactical gray, recurved 440C blade with a full, extended tang, black-and-white G-10 handle scales, and a Kydex® sheath. Overall length: 6 3/8 inches.

For more information contact TOPS Knives, attn: M. Fuller, Dept. BKG, POB 2544, Idaho Falls, ID 83403 208-542-0113 [info@topsknives.com](mailto:info@topsknives.com), [www.topsknives.com](http://www.topsknives.com).

### Wenger Multi-Tool Made For Yachtsmen

Wenger's Alinghi Yachtsman SUI1 Swiss Army knife sports a needle-nose pliers with wire cutter, a 4-inch, one-hand-opening, partially serrated stainless steel blade, a bit driver with Phillips and flat-head screwdrivers, marlinespike, ruler, cap lifter, wire stripper, awl with sewing eye, reamer, and textured-rubber handle inlays.

For more information contact Wenger, attn: D. Piretra, Dept. BKG, 15 Corporate Dr., Orangeburg, NY 10962 800-431-2994 [dpiretra@wengerna.com](mailto:dpiretra@wengerna.com), [www.swissarmyknives.com](http://www.swissarmyknives.com).

### Gold And Silver Highlight Collaboration

Hank Knickmeyer and Chantal Gilbert collaborate on a 12-inch mosaic-damascus fixed blade forged by Knickmeyer and outfitted with a bog oak handle and carved gold and silver fittings by Gilbert.

For more information contact Hank Knickmeyer, Dept. BKG, 6300 Crosscreek Rd., Cedar Hill, MO 63016 636-285-3110.

### Wilson/Knight Bowie Blade Is Salt-Bath Tempered

The first knife in Wilson Tactical's "Custom Alliance" line is a collaboration with knifemaker Jason Knight called the "Rogue Knight" bowie. It sports an 8.5-inch, handforged L6 blade that is salt-bath tempered, a contoured-ironwood handle and leather concealment sheath. The Rogue Knife is limited to 10 serial numbered pieces.

For more information contact Wilson Combat, attn: T. Logue, Dept. BKG, 2234 CR 719, Berryville, AR 72616 870-545-3618 [tressa@wilsoncombat.com](mailto:tressa@wilsoncombat.com), [www.wilsoncombat.com](http://www.wilsoncombat.com).
